

**Archive's primary purpose:**

The ability to write your own history book to be kept for first, second and third generations. A place to leave your mark for those that matter most.

**Closet active assimilation:**

A Wikipedia page for average people.

**Revenue payment collection elements:**

Not applicable. Small hobby side project. Hopefully it may help someone somewhere who wants to preserve their story for their future bloodline.

**Budget allocated:**

By negotiation.

**Further questions/required information**

## Functional outline

### 1. Landing page

- To access 'my page' or 'create new' user must sign in with Facebook when clicked to negate the need for email/password creation.

### 2. Create new: sign up

- Once 'Done' button is selected, new account is created. User is then taken to 'my page' set up.

### 3. Search: Information enter

### 4. Search: Results

- Filter options mirror only those associated with search name. I.e. Country of birth: If ten results listed from two countries only two countries shown in drop-box.

### 5. Search: Individual public profile

- Name, City, Country displayed in top left corner.
- Left or right arrow when clicked moves profile, pictures, documents, recordings, videos section to center option. 3D revolving circle format.
- Enter is clicked to access section.
- Profile-section image identical to profile picture selected. The pictures, documents, recordings and video sections are represented by icons.

### 6. My Page: Public view

- Left or right arrow when clicked moves profile, pictures, documents, recordings, video section to center option. 3D revolving circle format.
- Enter is clicked to access section.

### 7. My Page: Edit

- Left or right arrow when clicked moves profile, pictures, documents, recordings, video section to center option. 3D revolving circle format.
- Edit is clicked to access section.

### 8. Profile bio: Public view

- 'Back' takes user to search individuals homepage.

### 9. Profile bio: User edit

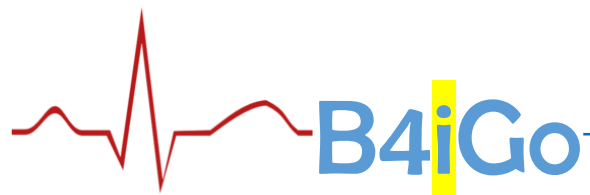

- When first entered to edit, user is prompted to enter information in blue box to help people find them.
- Continual prompts whenever entered until all information is filled in. If not filled in, it will not show in search or profile.
- Once entered text has the ability to be added/deleted. No character limit.
- Users has the ability to break text up by sections and name them to whatever required.

### 10. Videos, pictures, recordings and documents: Public view

- Filter options mirror only those associated with the file. I.e. Only folder names in existence shown in folder drop box.

### 11. Videos, pictures, recordings and documents: Edit (functionality and layout is the same for all sections)

- Allows users to Upload content for device/ social media.
- Allows users to create separate folders.
- Allows users to click on titles etc. and edit.
- Drag and drop feature for deleting up loaded files.

Section. 1 – Intro

Section. 2 - Early life

Section.4 - Achievements

## Bio description

### Section. 1 – Intro

The name "John Doe", often spelled "Doo," along with "Richard Roe" or "Roo" were regularly invoked in English legal instruments to satisfy technical requirements governing standing and jurisdiction, beginning perhaps as early as the reign of England's King [Edward III](#) (1312–1377).<sup>[7]</sup>

### Section. 2 – Early life

The [Oxford English Dictionary](#) states that John Doe is "the name given to the [fictitious](#) lessee of the plaintiff, in the (now obsolete in the UK) mixed action of [ejectment](#), the fictitious defendant being called Richard Roe".
